

Create an Account Online or on your Market Kiosk!

1) Goto www.32Market.com

2) Select 'Register'

3) Select your State - "State"

4) Select your Store - "Location"

5) Enter your personal information including the email you would like to use as your User Name, a Password, and 4-digit Quick Pin.

6) Then click "Create Account"

7) Once created and logged-in, you can click on your name in the upper right corner in the white box.

For adding funds to your user account, follow these steps:

8) Go to "My Account" and select "Add Funds" then "Select Amount to Deposit" and click "Continue"

9) At the bottom fill out "Create a New Card" information in the green box

10) Click either "Create" to save card information on account for future use or to swipe a card for quick login at the kiosk OR "Create & Pay" to save card information AND add funds to your Market Account

*****To create an account at the kiosk, simply select 'New Account' and follow the prompts! You can add funds to your account via cash or credit card!*****
