Now if you haven't been convinced enough yet, give this review a read:

"I can summarize my refinance in three words: Painless, comprehensive and QUICK! From start to finish, the process was flawless. The professionals at Quicken Loans worked with me each step of the way and made me feel very comfortable. I received fast, courteous replies and most everything was handled over the phone, Internet or email. They even sent a notary to my house - after hours - for the closing. Where else can you get that kind of service? This is absolutely the smoothest loan transaction I have ever been involved with and I highly recommend Quicken Loans to anyone who wants to work with a first-class financial team. BRAVO!" - Paul M., Mortgage Insiders client
