Starport intends to award two scholarships – one for dependents (children) of civil service employees and one for the dependents (children) of Starport Partner employees. Applicants are evaluated on the basis of academic achievement, financial need, and involvement in school or community activities. The scholarship winners may pursue any course of study leading to a recognized degree at any accredited college in the country.

AMOUNT OF EACH SCHOLARSHIP

- Individual one-time only scholarships of up to \$4000 are given in the amount of \$2000 per academic semester (Fall 2014 and Spring 2015) or as determined by Starport.

ELIGIBILITY REQUIREMENTS

- Applicants must have a high school grade point average of 2.5 on a 4.0 scale or the equivalent.
- Applicants must either be minor dependents (children) of JSC civil service employees or other NASA civil service employees permanently stationed at JSC who have been employed at NASA for at least 2 years as of January 1, 2014, or minor dependents (children) of the JSC Starport Partner employees who have been employed in the local area for at least 2 years as of January 1, 2014.
