

# STARPORT

NASA EXCHANGE - JSC

## Mobile Massage Therapy

For more information or to schedule Starport's mobile massage therapist, please contact:  
Joseph Callahan | 281-244-2769 | [joseph.r.callahan@nasa.gov](mailto:joseph.r.callahan@nasa.gov)

Bring the benefits of massage therapy to your location - Available for [Starport Partners](#), Ellington Field, and special events.

Did you know a 10-minute chair massage can:

- Boost energy, alertness and productivity
- Increase circulation
- Reduce muscle tension and pain
- Help prevent repetitive stress injuries
- Provide relaxation and rejuvenation
- Relieve emotional stress

All in a noninvasive manner - **right at the workplace!**

Starport partners can offer this program to their employees by scheduling a day and time they would like to have a therapist onsite.

*Rates start at \$75 per hour, 2 hour minimum.*

### *Demetris Edwards, LMT*

*Demetris has been a licensed massage therapist in the state of Texas since 2007 when she graduated from the Memorial Hermann Massage and Spa Therapy School. She obtained her Associate's Degree from Houston Community College in 2008 and her Bachelor of Science degree in Management from University of Phoenix in 2012. In addition, she holds specialty certifications in Chair, Pre-natal, Deep Tissue, Hot Stone, Chronic Illness, and Low Back Pain massage.*

*Although Demetris names her warm and friendly personality as her best asset, what makes her unique as a massage therapist is her range of experience. She has worked in the clinical setting by performing massage for patients in both the chiropractic and psychiatric environments. She has also worked as an on-site massage therapist at the Ironman and MS150 sporting events, and she has partnered with Fluor Corporation multiple times to provide corporate chair massage for employees. Finally, she has called home to two of Houston's premiere spas, Spa Nordstrom and Beautique Day Spa and Salon.*
