**Johnson Space Center Employee Memorial Tree Guidelines**  
**at**  
**The Gilruth Recreation Center**

**To Request a Tree:**

- Requestor should contact NASA Exchange – JSC, Holly Bundick, at [jsc-starportbusinessoffice@mail.nasa.gov](mailto:jsc-starportbusinessoffice@mail.nasa.gov) or 281-483-9426.

**Eligibility:**

Survivors or other interested parties may request permission to plant a tree on the Johnson Space Center's (JSC) Gilruth Center property in a memory of a deceased:

- Current or former NASA employee or contractor
- Immediate family member (spouse or children) of a current or former NASA employee or contractor
- Individual who has made noteworthy contributions to the space program approved by Center management

**Tree Specifications and Regulations:**

- Memorial tree shall be a Live Oak indigenous to Texas and have a trunk diameter of no less than 3 inches per commercial nursery standards
- Tree location will be designated by the Center.
- Planting time shall be from October through February to maximize survivability.
- Memorial trees may not be decorated (i.e. wind chimes, ornaments, signs, bird houses, ribbons, etc.).

**Memorial Marker:**

- A memorial marker is required to be ordered along with the memorial tree. The marker size, shape, materials, and lettering shall be consistent with other memorial tree markers located on JSC property.
- The marker will contain the deceased's name, date of birth and date of death. In addition, a suitable line commemorating the individual's contribution to the Space Program, subject to approval by Starport.
- One marker per tree. Name plate can be changed at requestors expense to add additional family members.

**Expenses:**

- The memorial tree, marker and installation price will be at the market rate, plus a small administrative fee, payable in advance. Money orders and checks shall be made payable to NASA Exchange. Credit card purchases are acceptable.
- The tree order form shall be completed and submitted with payment when the tree is ordered (see enclosure).
- Starport will replace any tree that does not survive up to 12 months from the time of planting if planted between October and February.
- Should a tree not survive, or a marker becomes degraded over time, the donating party will be notified through U.S. mail and given the option of replacing the tree or marker, at their expense, or to remove the marker. The purchaser shall keep Starport informed of a current mailing address
