

# ISS20 Youth Art Contest

## **DESCRIPTION:**

“Celebrating 20 Years of Human Presence on the International Space Station”

Starport wants to see your “Celebrating 20 Years of Human Presence on the International Space Station” artwork. Show us what you think 20 years of humans working and living in space looks like. Get creative! Ideas for artwork include, but aren't limited to, drawing astronauts working together on a science experiment, astronauts floating in the space station, or even some astronauts performing a spacewalk. Please be sure to include a hand drawn version of the ISS20th logo somewhere on your artwork.

## **ELIGIBILITY:**

The contest is open to children and teens, ages 4 to 16 years old.

Participants will compete in separate age categories:

- 4 to 5 year old
- 6 to 8 year old
- 9 to 12 year old
- 13 to 16 year old

Participants are not required to be NASA dependents however, they must be sponsored by a current NASA employee/contractor. Any NASA employee/contractor may sponsor an artist or multiple artists. Sponsors and artists are not required to be relatives.

## **ENTRY:**

One (1) entry per child.

To enter the contest, eligible participants must:
