

## New Starport Badging – effective July 9, 2018

All new Starport Fitness Membership badges are being distributed beginning this week and starting next week the primary entrance to the Gilruth Lobby will be the doors closest to the softball fields. To ensure we are able to report usage metrics and minimize operational costs, each member must scan their badge upon entry. There are now two badge scanners: the first one is located at the front desk and the second is outside the South entrance door (nearest the Child Care Center). The South entrance will only be regularly accessible to those with an active membership badge (the front desk staff will also be able to 'buzz-in' people who are using the pavilion or playground). There will be no change to the entrance doors under the carport.

Things you need to know about the new Starport Fitness Membership badges:

- Everyone with a current membership must hold a new badge, old badges are no longer active.
- New photos will be required.
- 1<sup>st</sup> badge is FREE. Lost badges can be replaced for a \$5 fee.
- Badges will be required to access the facility each visit and must be presented upon request.
- In order to expedite these services Starport will have extra staffing today through Friday, July 13<sup>th</sup>

If you have any questions you may contact Joel Grant, Fitness and Wellness Manager at [joel.b.grant@nasa.gov](mailto:joel.b.grant@nasa.gov) or the Gilruth front desk at 281-483-0304.
