Welcome to Starport Youth Tech Interactive Camp presented by Youth Tech Inc

Hello camp parents and welcome to Starport Interactive Computer Camp presented by Youth Tech Inc. We are very excited that you have chosen to enroll your child(ren) in Starport's Interactive Computer Camp here at the Gilruth Center. We look forward to providing your children with a fun, active, safe, and quality summer experience.

Session Dates:

- December 19-22| 9-11am | iVideo Game Design | Age 6-10
- December 19-22|1-4pm | Animation
- December 27-30 | 9am-12pm | Video Game Design
- December 27-30 | 1-4pm | Web Design
- December 19-30 | Extended Care

Some key points that I'd like to mention:

Camper drop-offs and pick-ups: (Class will be held in Trinity Room 222, campers will be escorted from Gilruth Lobby)

- Camper drop off and pick up will be in the lobby of the Gilruth Center (near the gymnasium). We will also have an outdoor drop off area so that you do not need to park and come inside to drop your children off in the mornings if you prefer not to. This will be in the parking area that is located between the soccer field and the gymnasium. It will be the first parking lot you see as you enter the Gilruth driveway, to the left. A table will be set up outside with a counselor to sign your child in and your child will enter the facility directly through the gym. If you would like to park and walk your child in, that is fine as well. Especially for new campers on the first day. But the outdoor drop-off option will be available to you for whenever you'd like. You will still need to come inside to sign your children out in the afternoons. All parents and individuals authorized to pick up child(ren) must show identification. If you need to add additional authorized persons to pick up, please complete a *Camp Pickup Authorization Form* during sign in/out prior to pick up date and time. **TELEPHONE AUTHORIZATION WILL NOT BE ACCEPTED.**
