**Behavior/Discipline**

Parents and campers need to be aware there are rules that each child is expected to follow every day at camp. A behavior warning procedure will be exercised and will be maintained for all progressive program violations. If discipline problems arise, the following steps will be taken to correct the problem: speak to the child with a warning, timeout from activities, notify the parent/guardian of the problem (and possibly come retrieve their child from the program), meet with parent/guardian to
create an action plan, and if this process is unsuccessful and behaviors are not corrected, dismissal from the program. Any child dismissed due to behavioral issues will forfeit registration fee.
